

**Joe & Paula Narowski  
764 Storrs Road  
Storrs, CT. 06268**

**We have dealt with many contractors, sales people, and repairmen over the course of our 26-year homeownership... some of them were good; some were bad; and some just horrible. But the LeafGuard salesman and the installation crew were superlative!!**

**Special kudos to Dan for his patience, advice, and experience! And thanks, David, for coming by to check on the job. Our gratitude to everyone involved.**
